## AMENDMENT

Intended to be proposed by Mr. BAYH to H.R. 17123, a bill to authorize appropriations during the fiscal year 1971 for procurement of aircraft, missiles, combat vehicles, naval vessels, and tracked combat vehicles, and other weapons, and research, development, test, and evaluation for the Armed Forces, and to prescribe the authorized personnel strength of the Selected Reserve of each Reserve component of the Armed Forces, and for other purposes, viz: At the appropriate place in the bill insert a new section as follows:

- 1        SEC. . . Section 412 of the Military Construction Act
- 2        of 1959, as amended, is amended by adding at the end
- 3        thereof a new subsection as follows:
- 4            "(d) (1) Beginning with the fiscal year which begins
- 5        July 1, 1971, and for each fiscal year thereafter, the Con-

**Amdt. No. 828**

1 gress shall authorize the active duty personnel strength for  
2 each component of the Armed Forces; and no funds may be  
3 appropriated for any fiscal year beginning on or after such  
4 date to or for the use of the active duty personnel of any  
5 component of the Armed Forces unless the active duty per-  
6 sonnel strength of such component for such fiscal year has  
7 been authorized by law.

8       “(2) Beginning with the fiscal year ending June 30,  
9 1971, the President shall submit to the Congress a written  
10 report not later than January 31 of each fiscal year recom-  
11 mending the active duty strength level for each component  
12 of the Armed Forces for the next fiscal year and shall include  
13 in such report justification for the strength levels recom-  
14 mended and an explanation of the relationship between the  
15 personnel strength levels recommended for such fiscal year  
16 and the national security policies of the United States in  
17 effect at the time.”
